

AIR4EU Project Expert Workshop

– Welcome and Objectives of the Meeting –

Brussels, June 30th, 2006

TNO | Knowledge for business

AIR4EU: Air quality assessment for Europe, from local to continental scales

Started 1-1-2004

Finishes 31-12-2006

Role of the High Level Expert Group:

to follow the progress and give advice

- All the documents have been made available during the course of the project (passive)
- Athens Workshop June 29th 2005 (active)
- Today: Dedicated Expert workshop (active)

Objectives of the meeting

- We will present the main products we are developing
- We will show you the strong, and weak points, of our products
- We would like to receive from you feedback, suggestions, critical remarks, etc., etc.
- We will make use of your feedback during the last phase of the project

Final AIR4EU-Workshop November 10, 2006, Prague

Formal reporting (drafts), end of 2006

Main deliverables/products:

- A guidance document on best practices for the combined use of monitoring and modelling
- Maps of air quality as examples, based on the combination of monitoring and modelling
